

**Hello API 510'ers,**

Here are a few details for our upcoming API 510 class.

**Class Date:** **May 21-26** (All day Saturday!) Class exam begins by noon on Saturday. This exam takes about 4-6 hrs. Please don't rush through the exam. Act like this is the real API exam. If needed, you can leave early and take the class exam and an answer key.

**API Exam Date:** **June 6**

**Class Location:** **Hampton Inn @ Bartlesville, OK** (north of Tulsa) (918) 333-4051

**Daily Schedule:** **Sunday evening (May 20)** Get together at 3:00 p.m. at our house. Supper is at 5:00 p.m. Map will be provided later. We'll **TAB & WRITE NOTES** in your code books, and hand out class manuals. This gives us a 3 hour head start into a very busy week. **BRING YOUR CODES!!!**

**Monday - Saturday** 7:30 a.m. - 5:30 p.m.  
**Monday - Friday** 6:30 p.m. - ??? p.m. Homework

If possible, you should always do your homework. Those most successful, commit the **whole** week to prepping for the API exam.

**Class Size:** Enrollment is limited to 26 students.

**Hotel Lodgings:** **Hampton Inn (918) 333-4051** \$77/night + tax Either two double beds or a one king bed. You must make your own reservations. **MAKE YOUR RESERVATION at least ONE MONTH PRIOR to CLASS.** For this rate, mention that you are part of the MSTs class.

Other Hotels: (rates do not include tax)

**Best Western** (next door) (918) 335-7755  
**Fairfield Inn & Suites** (3 miles) (918) 333-1777  
**Super 8** (across Hwy 75) (918) 335-1122

**API Application:** Your certification application must be received by API by **March 21.** You can obtain an application at API's web-site. (see below)

**API Info:** The API Web-site offers some useful information (i.e. application form, required codes). Their web-site is: [www.api.org/icp](http://www.api.org/icp)

**Code Books:** Be sure to check the API website to determine the exact publications (codes) that you need for this exam. These codes can be purchased through **IHS**. You can find their website via Links on the MSTs website. Or easier - Call **Heidi at (303) 397-7916.**

**Pre-Study:** **You really need to STUDY before the class.** This is an intense week! Pre-class study will make your class easier! You will also score higher on the API exam. Info on our website to download includes:

**API 510 Study Guide:** What to study prior to the class

**API 572 Study Questions:** Over 150 questions to help you "stay awake" as you study API 572. We will **not** cover API 572 in class.

**The Inspector's Calcs:** Self study guide & quiz on Corrosion Rate, Remaining Life, and Inspection Interval calculations.

**Bring to Class:** **Calculator** - Suggest a Texas Instruments **TI-30XA** (it is neither too complex nor expensive, but has an easy to use memory),

**Pencils** - Mechanical pencils preferred!

**Code Books**

**Straight edge or triangle** - About 6-8" long.

**Highlighters** (yellow, pink, orange) & **Red Pen**

**Dress:** Dress is casual. But be sure to bring a sweater or jacket in case the Canadians win the Thermostat War!

**Meals:** The Hotel provides a hot breakfast. There are numerous restaurants nearby for lunch and dinner.

**Class Cost:** The class costs \$1150. You do **not** need to send an early deposit. Please bring check, cash or credit card to class. We accept only Visa and MasterCard; (\$30 surcharge for credit card payments).

**Questions/Issues:** Give me a call.

We are looking forward to seeing each of you. If you decide to withdraw from this class please let us know. Happy studying !!!
