

Hello API 570'ers,

Here are a few details for our upcoming API 570 class.

Class Date: **January 27 - February 1, 2020** (All day Saturday!) Class exam begins Saturday at 8:00 am. Exam takes about 4-6 hrs. Don't rush, act like it's the real API exam. Very important for 1st time API'ers!

API Exam Dates: **February 14 - 28, 2020** You must schedule the exact date with Prometrics. It's best to have at least 2 weeks between the Class & the Exam!

Class Location: **Conference Center at the Hotel Francis** in St. Francisville, La (7059 US-61, about a 30 minute drive North of the Baton Rouge airport)

Daily Schedule:

Monday	8:00 a.m. - 9:00 p.m. Stay late for tabbing
Tuesday - Friday	8:00 a.m - 6:00 p.m. Stay late for Homework
Saturday	8:00 a.m. - Whenever: Practice Exam

Those most successful commit the **whole** week prepping for the API exam. **We suggest you stay Saturday and complete the Practice Exam.** Then we can review any questions that you missed.

You're welcome to stay at the Conference Center to do homework. I'll be happy to help answer questions any evening!

Hotel Lodgings:

Hotel Lodgings:

- **Best Western (St. Francisville)**
- **Hotel Francis (St. Francisville)**
- **Holiday Inn Express and Suites Baton Rouge North (Zachary) Suites**
- **Best Western Zachary Inn**
- **Comfort Inn and Suites (Zachary)**

API Application: Your API application must be completed at API's website by **December 13, 2019**. It is now an online application found on API's web-site. Once API accepts your application, they will provide an ID number. This will be used to schedule your test at the Prometrics test site of your choice.

API Info: The API Web-site offers some useful information (i.e. application, list of required codes). Their web-site is: www.api.org/icp

Code Books: Even though the test is on-line, we will be using paper Codes in the class. Be sure to check the API website to determine the exact codes that you need

for this exam. These codes can be purchased through **IHS or Techstreet**. You can find their website via Links on the MST5 website.

Pre-Study: **You really need to STUDY before the class.** A very intense week! Pre-class study is a must! Info on our website to download includes:
API 570 Study Guide: What to study prior to the class
API 578 Study Questions: About 30 questions to help you "stay awake" as you study API 578. We will **not** cover API 578 in class.
The Inspector's Calcs: Self study guide & quiz on Corrosion Rate, Remaining Life, and Inspection Interval calculations.

Bring to Class: **Calculator** - Suggest a basic calculator with square root function.
Red Pen & Pencils - Mechanical pencils preferred
Highlighters (yellow, pink, orange)
Code Books

Dress: Dress is casual. But be sure to bring a sweater or jacket in case the room gets uncomfortably cool.

Meals: There is an ample supply of family restaurants and fast food nearby. .

Class Cost: The class costs \$1200. (\$1230 w/ credit card) You do **not** need to send an early deposit. Please bring Check, Cash or Credit Card to class. We accept all major credit cards.

Questions/Issues: Give me a call.

We are looking forward to seeing each of you. If you decide to withdraw from this class please let us know. Happy studying !!!
