Hello API 510'ers,

Here are a few details for our upcoming API 510 class.

Class Date: **August 16-21** All day Saturday! Those most successful commit ALL week prepping for the API exam.

API Exam Date: **Sept 3-24** You must schedule the exact date with Prometric.

Class Location: **Homewood Suites** 3000 IH-45N Conroe, TX 77303 (936) 703-6000

Daily Schedule: **Class starts Monday morning.**

Monday – Friday	7:30 a.m. - 6:00 p.m. Can stay for Homework
Saturday	7:30 a.m. – 5:30 p.m. Sect IX Training All Day
	Practice Exam is now a take home exam

Those most successful commit the **whole** week prepping for the API exam.

You're welcome to stay and do homework in the conference room. I'll be happy to help answer questions any evening!

Class Size: Enrollment is limited to 25 students.

Hotel Lodgings: **Homewood Suites** You must make your own reservations. For a discounted rate mention that you are part of the Thomson Training class. 936-703-6000

API Application: Your API Application must be completed online at API's website by **July 2.** Once accepted, API provides an ID # that is used to schedule your exam at the Prometric test site of your choice. See MSTS website's Links page for API's and Prometric's website.

API Info: The API web-site (www.api.org/icp) offers useful information. (i.e. Application, Body of Knowledge, List of Required Codes)

Code Books: Even though the test is on-line, we will be using paper Codes in the class. Be sure to check the API website to determine the exact codes that you need for this exam. These codes can be purchased through **AccurisTech**. See MSTS website's Links Page.

Pre-Study: **You really need to STUDY before the class.** This is an intense week! Pre-class study will make your class easier! You will also score higher on the API exam. Info on our website to download includes:

API 510 Study Guide: What to study prior to the class

API 572 Study Questions: About 200 questions to help you "stay awake" as you study API 572. We will **not** cover API 572 in class.

The Inspector's Calcs: Self study guide & quiz on Corrosion Rate, Remaining Life, and Inspection Interval calculations.

Bring to Class: **Calculator** - Suggest a simple calculator with square root

Red Pen & Pencils – Mechanical pencils preferred
Straight edge – About 6-8" long
Highlighters yellow, pink, orange, etc.
Printed Code Books

Dress: Dress is casual.

Meals: There are several restaurants relatively close.

Class Cost: The class costs $1500. **Payment is required to enroll in this course.** We accept check, Visa, Mastercard, Discover, American Express, Apple Pay and Cash App

Questions/Issues: Give us a call or send us an email.

We are looking forward to seeing each of you.

Happy studying!!!
